

We welcome riders of all ages and all levels including; children and adult beginners, adults coming back to their passion of riding after a hiatus, serious competitors and non competitors alike!

We approach our lessons with a “whole horse” attitude. We like to teach our students about horses as an animal and a riding partner. Students learn to catch and halter their horse in the field or stall, groom, and tack their horses. Also, at the end of each lesson they take care of their horse after the ride.

If it's raining outside, there is still plenty to learn inside, so come ready to learn!!

Horseback Riding Lessons - Starting at \$45 Legacy Arabians offers riding lessons for adults and children. All students begin with private lessons to be sure safety is our utmost concern.

Open to all ages and experience levels- even new riders! You don't need any fancy equipment, any previous horse experience, or even know what type of riding you would like to do. Teaching a variety of both English and Western disciplines, our private lessons can get you on track in most any division. All adult students begin with an hour long evaluation lesson at \$80; additional lessons are \$45 with our instructors, and last about 45 minutes. Just 25 minutes East of downtown Dallas, we are convenient to all of DFW.

Have dreams of competing? We have a national level competition team for all ages of riders and college scholarship opportunities for kids and teens! The majority of our lesson horses are Arabians and are highly trained and very valuable. We have limited availability of horses, therefore scheduling your lesson in advance as well as being on time are very important. The lesson horses are completely booked each week, so we ask that you must give 48 to 72 hours notice if you need to cancel so that other students can use the time. If you are unable to give notice, you will be charged for the lesson.

We do have a covered facility for lessons so if its a light rain or ground is just a little damp, we will teach. We follow the FORNEY ISD schedule. If schools are closed for bad weather its probable we are closed too. WHEN in doubt please check our facebook page at www.facebook.com/legacyarabians We will not teach in stormy weather. If the weather is acceptable during school holidays, we will teach.

We do require riding helmets and lace up riding boots for all riders that have completed their second lesson. It is important that riding helmets fit

correctly and are rated as ASTM - here is a link for more information

All riders and family members must sign a release of liability in case of injury and must provide us with emergency contact phone numbers prior to any lesson taking place. ONE parent must remain at Legacy Arabians while lessons are ongoing for your child.

COMPETITION TEAM - As students show competency mastering skills, we may invite your child or adult to participate in a "SHOW" environment.

Shows are local, within 30 minutes of Legacy Arabians and usually begin at about 9:00 am and end about 4:00 pm. The time of the section your child is participating in will be estimated and told to you. You will NOT need to stay for the entire show but it's very difficult to drag the children away! ... The shows are NOT on Legacy Arabians grounds. Shows are certainly a lot of fun. It's a chance for riders to meet other children from other local farms and test out their new skills! HORSES ARE LEASED to students for classes at the shows. Horses are transported by Legacy Arabians to the show grounds, and typically you will need to meet us at the Facility where the show is being held. The show series usually consists of multiple shows, with ribbons and prizes awarded at each show. At the end of the year, a cumulative awards banquet (usually pot luck) and the high point winners are announced and awarded prizes. IT'S so much fun to watch the winners win their first awards.

The price for the show for your child will include the horse and transport of the horse to the facility and all lesson or coaching that goes on at the show well as all health documents required by the State of TEXAS for your horse to be allowed and cleared to show. IT DOES NOT include entry fees, club membership (to compete for awards) All Competition members and parents must sign up at the show office, leave a check for payment to the show, and receive a show # for your child to compete. A Legacy Arabians staff member will assist you with entry forms. In summary, you will book and pay for a Legacy Arabians Horse in advance of the show. The cost for this is \$120.00. Additionally when you arrive at the show you will leave a check at the show office for your child's associated fees. It's best to be there EARLY! WE APPRECIATE any and all help unloading and setting up for the show day as well as assistance loading up to go home! There are bleachers and a concession stand at the shows. GREAT safe horses are needed for these shows, so students will share horses. Legacy Arabians staff members will assign the classes for your child to

participate. Bottled water, gatorade and carrots are always high demand items!

Riders with the Legacy Arabian Competition team will be asked to wear a Legacy Arabian T shirt as well as boots and appropriate riding breeches- HELMETS are required .ITS ALWAYS an exciting day when our new show season T shirts are revealed. T shirts are available to all students and family members, but must be ordered well in advance of the show season. The price for the shirts vary, but they are very affordable and will have the Legacy Arabian LOGO on it! We usually order these shirts in January to be sure they are ready for the spring shows.
